THE WOODS AT OAKLEY

Something Borrowed

Not only do the items we have available to borrow look beautiful, but they have been sourced to have minimal impact on the environment. Our range of luxury extras are stored on site, saving you money and reducing our carbon footprint.

Rustic Wooden Tables and Benches

Our handmade rustic wooden trestle tables seat 8 people (4 on each bench either side). The dimensions are 2.4m long, 0.9m wide, 0.8m high. We have 10 tables in total and 20 benches. They look stunning placed in a row for a banquet style feast, or can be arranged as individual tables.

Umbrellas

If the trees aren't enough to protect you from the odd shower or the sunshine, we have umbrellas. The canopy is 137cm in diameter enough for two people to shelter under. We can supply the umbrellas in a deep forest green to compliment the the woodland surroundings or a pretty wedding white.

Sheepskin Rugs

Seat your guests in comfort on the rustic benches in the Hazel Bower with a bundle of our lovely super soft cream faux sheepskins which have been manufactured using recycled bottles. One rug could be shared between two guests.

Crate of Blankets

Each crate is filled with a mixture of 10 soft blankets all made from recycled materials. Perfect for your guests to throw over their shoulders to keep warm when the sun goes down or to snuggle up in by the fire pit.

Posy Jars

Forage in the woods for plants and wildflowers to fill these posy jars and decorate your reception. Gifted from a previous couple, they could also be used to display your wedding flowers.

Lanterns

Our pretty vintage style lanterns come with LED tea lights that last up to 24hrs, giving a romantic, ambient glow when the sun sets.

Glass Water Bottles

We are blessed with our own pristine spring water in the woods and we want to share this with you. Borrow a batch of our 1 litre glass water bottles and help yourselves from the taps in the woods.

Wooden Games

Gifted from a previous couple, these 3 wooden games can be placed in the reception to keep children and adults entertained!

We also stock many items our couples have gifted to us after their wedding and we would love to share them with you. Feel free to come and see what we have and borrow what you like for your big day.

Stretch Canvas - Bluebell Glade

Our stretch canvas sits snugly between the trees, offering shelter from the elements and a stunning entertainment space. It offers much more flexibility than a traditional marquee and can be configured to suit your needs, for example floating, one side or two sides down.

Our stretch canvas is included in the Weekday Wooding and Weekend Wooding packages.

Size - 12m x 9m, total area 108m²

Floating capacity – seated dinner 70, cocktail standing 100

One side down capacity – seated dinner 50, cocktail standing 80

Remember if you want a dance floor area, this will reduce your seated capacity

Stretch Canvas - Hazel Bower

Whilst the woodland canopy provides a breath-taking natural roof to our ceremony area, should we be forecast heavy rain, we have a stretch canvas that fits between the branches, spanning the entire length of the woodland aisle. This is included as a wet weather plan with the Weekend Wooding package, and can also be added to the Weekday Wooding for £1000 if required.

Somewhere To Stay

The Nissen Hut

The Nissen Hut offers a chic space for the bridal party to enjoy their wedding preparations. Our stylishly renovated WW2 building set on the edge of the woodland not only has all the mod cons needed to get ready for the big day, but provides some striking photo opportunities. Once the glam squad have departed, it's a short stroll along a meandering woodland path to the Hazel Bower to meet your fiancé, family and friends to exchange your marriage vows.

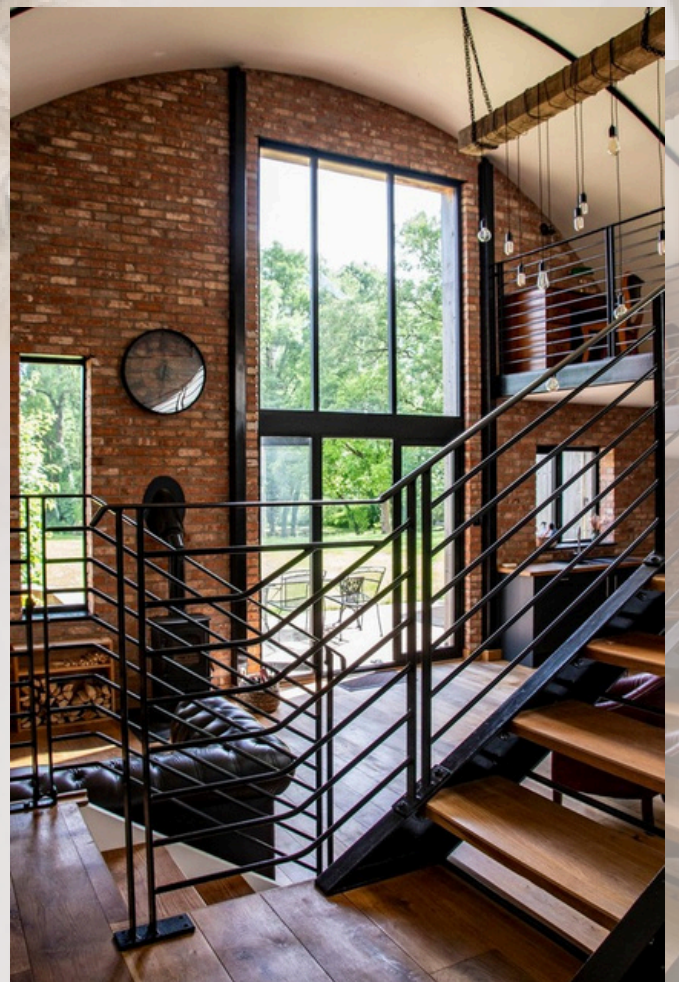

Following the wedding celebrations, return to the Nissen Hut for a luxurious and romantic first honeymoon night together. Or, if you are glamping in our canopies under the stars in the woods, it offers a peaceful and cosy retreat for other wedding guests.

The Nissen Hut is included in our Weekend Wooding and Weekday Wooding packages.

The Nissen Hut costs £170 per night if not included in a package and sleeps 4.

Bell tents cost £150 per night, £250 for two nights, and sleep up to 4. For further information please contact jayne@thewoodsatoakley.co.uk

Something To Buy

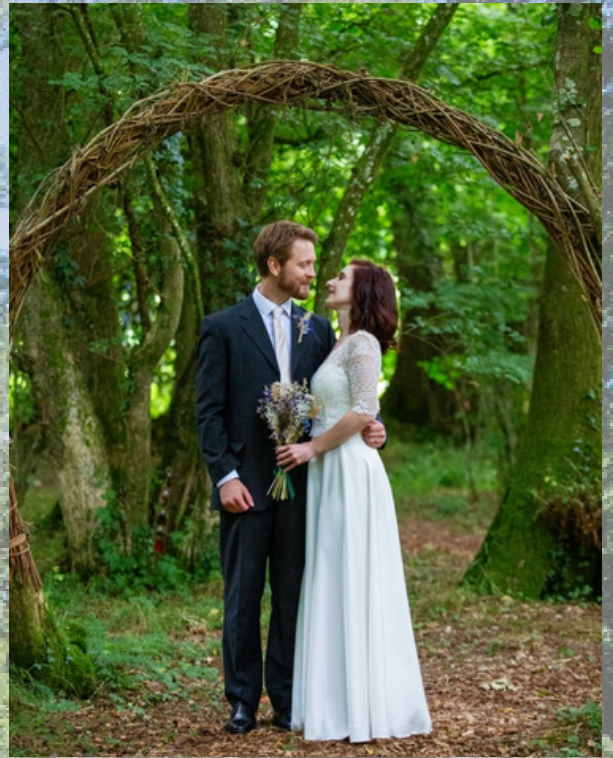

Wildflower Confetti - £3 per bottle

What could be more special than a stunning array of wild flowers as a reminder of the love shared in the woods on your wedding day. Our 'Sow Much Love' confetti has been created from our own blend of wild woodland flower seeds. Bluebells, buttercups and foxgloves will bloom annually in celebration of your marriage and we welcome you back to take a stroll through the woods on your wedding anniversary. Guests can also take the pretty glass bottle home as a sweet keepsake and sprinkle the wildflower seeds in their gardens to help promote biodiversity in the UK.
